Many merchants are well aware that their customers are their best friends and take pleasure in supplying them with the best goods obtainable. As an instance we mention Perry & Cameron, prominent druggists of Flushing, Michigan. They say: "We have no hesitation in recommending Chamberlain's Cough Remedy to our customers, as it is the best cough medicine we have ever sold, and always gives satisfaction." For sale at 25 and 50 cents per bottle by all druggists and medicine dealers.

The Anaconda Company owns over 100 locations at Butte, Montana, and has expended over \$80,000,000 since 1881. An average of 2,500 men are employed. The output of copper for 1896 is estimated at 130,000,000 pounds.

Not a few who read what Mr. Robert Rowls, of Holland, Va., has to say below, will remember their own experience under like circumstances: "Last winter I had in grippe which left me in a low state of health. I tried numerous remedies, none of which did me any good, until I was induced to try a bottle of Chamberlain's cough remedy. The first bottle of it so far relieved me that I was enabled to attend to my work, and the second bottle effected a cure." For sale at 25 and 50 cents per bottle by all druggists.

Earl Russell won his suit against his mother-in-law, she being sentenced to eight months in jail. She had said bad things about the Earl, who, like a worm, turned.

For a pain in the loins a piece of flannel dampened with Chamberlain's pain balm and bound on over the seat of the pain, and another on the back between the shoulders, will afford prompt relief. This is especially valuable in cases where the pain is caused by a cold and there is a tendency toward pneumonia. For sale by all druggists and medicine dealers.

The Live Stock Journal reports four death among horses from swallowing excessive quantities of sand with drinking water especially when allowed to drink from shallow ponds. In one instance, on autopsy, 14 pounds of sand were found in the digestive tract.—Prospector.

Miss Edith Collins, Chauncey Dewey's ward, married Count Rechild Bey, a Turkish nobleman connected with the Sultan's embassy at Paris. Miss Collins is a charming girl and is well supplied with "stuff," and his wretched highness will soon be enjoying himself at the rate of several thousand dollars per day.

It was the first day of the new year in the Garden of Eden.

"I don't like this side of my new dress, Adam," said Eve, "and I'm going to turn it."

"Ah," chuckled Adam, "going to turn over a new leaf, are you?"

There were loud hisses from His Snakelets at this sally.—Scissors.

**Important Notice to Homesteaders.** UNITED STATES LAND OFFICE, PRESCOTT, ARIZ., Jan. 4, 1897.

Under a late ruling of the Interior Department, residence upon a tract of land prior to date of entry in the Land Office will count as part of the 14 month's residence required in commuted homesteads as well as in regular homesteads. For instance, a homesteader may commute his entry to a cash entry by showing 14 month's residence upon the tract of land, regardless of whether the residence was prior to date of entry in the Land Office or subsequent thereto.

A person who makes a homestead entry has six months after date of entry in the Land Office within which to establish his residence upon the land.
